

Introducing the GaryWear Active Brief A New Washable Leak-Resistant Fabric Pant in a Slim Fit

The GaryWear Active Brief is a fabric pant worn over an absorbent product and designed for an extra layer of protection. It is for active people of all ages, with medium to heavy incontinence. Unlike traditional protective garments, Active Briefs' slimmer cut makes them less bulky, and more discreet. They're made from PUL - a breathable, waterproof fabric. Covered sturdy elastic and a contoured thigh cut helps prevent leaks. Sizes range from 3XS - 5XL.

CHOOSE FROM SIX APPEALING COLORS:

"On a daily basis, these are completely reliable." - Laura, Canada

"I can keep up with my Grandsons. I'm so grateful for that." - Nancy, Texas

"After many years, I can finally sleep on my side again. No leaks at night. I am ecstatic with the results" - Kent, Florida
